

DEL MERIT

TRACK OWNER / PROMOTER

Del Merit is the longtime owner operator of Speedway 95 in Hermon. His success in running the central Maine racetrack is a testament to his hard work and dedication to the facility. Del had been involved in racing through the late 60's and early 70's and had established himself as a successful flagman at tracks including Speedway 95 and occasionally Wiscasset. Working in any role needed including groundskeeping, Del eventually became part owner of Speedway 95 in 1977. The track became a popular destination for many of the top racers in the region, among them several current Hall of Famers. In 2011 Del became sole owner of the speedway and continues to operate the track today. For his nearly 55 years of dedication to the racers and fans of central Maine and to Speedway 95, Del Merit takes his place among the sports greats as a member of the Maine Motorsports Hall of Fame class of 2022.
