DRIVER / CREW CHIEF / CHASSIS BUILDER

While Dick Glines is a native of Jackson, New Hampshire, he has an undeniable and lasting impact on Maine racing history. Over 40 years, Dick found success as a driver, crew chief, and chassis builder with his talents contributing to over 100 victories. As a driver he won the 1979 Oxford Plains Speedway Open Comp Series championship against some of the top racers of the era. He won 7 Getty Open 100 lap races. He holds the distinction of running the fastest 100 lap race on record at OPS (30 mins 9 sec). As a crew chief he helped dominate the NASCAR North Tour, American Canadian Tour, and Busch North Series, winning 6 championships with drivers Robbie Crouch and Jamie Aube. Then, beginning in the mid 80's he started his own chassis business – NRP Race Cars – and won 8 more titles in the Busch North Series with drivers Ricky Craven, Kelly Moore, Mike Stefanik, Dick McCabe, Dave Dion, and Brad Leighton driving his cars. NRP built cars also notched several wins on the southern Busch Grand National Series, plus a pair of titles on the Pro Truck Tour.
